

A DAY IN THE LIFE AT CAMP

HERE IS WHAT YOU CAN EXPECT YOUR CHILD TO BE PARTICIPATING IN EACH DAY AT CAMP!

MORNING

After being dropped off, campers will be given a morning snack and time to settle in for the day. Each morning, campers will create a science related craft and have some outdoor time, lead by our sports counsellors, to play in the sun!

LUNCH

After the morning activities lunch will be served fresh everyday! Lunch will follow the food groups recommendations provided by the Canada Food Guide. Lunches will be served individually in order to keep your child(ren) safe!

PLAYGROUND

Either during the morning activities or afternoon, your child(ren) will have the chance to play on our amazing indoor playground!

AFTERNOON

Each afternoon, the campers will do an imagination/sensory activity or craft. There will be more outside time with the sports counsellors to fully enjoy the summer weather. There will also be an afternoon snack to ensure the kids have energy for the whole day!

FREE TIME

At the end of each day, campers will have some free time to make friends and relax before being picked up!
