

Dear Parent/Guardian,

At Just for Fun, we are committed to providing every camper with a safe and enjoyable experience. To ensure we can do so, it is very important that we are informed in advance, during the booking process, if your child(ren) has (have) any special needs and/or require any additional assistance.

Just for Fun is an all-inclusive program, meaning that we will NOT deny your child(ren) registration based on any special needs or requirement of additional assistance.

We understand that every child is unique, and their needs will vary, therefore we ask that you work with us and provide all necessary information related to your child(ren).

We need to be informed in advance so that we can adequately schedule staff and adapt the program to facilitate their learning and provide your child(ren) and all other campers the best experience possible.

Please note that if you choose not to provide us with the necessary information, your child's camp experience might not be as fun and enjoyable as we would hope for and **could result in you having to pick your child(ren) up from camp and reschedule (based on availability) to a week where we are able to provide them with a more suitable program.**

PLEASE RESPOND no later than 10 days prior the start of the camp week by selecting one of the following:

- A. My child(ren) does not (do not) have any special needs and/or require additional assistance
- B. My child(ren) has (have) special needs and/or require additional assistance as noted below (please specify):

- The condition or diagnosis of your child

- Any unique behaviors (Example: hitting, running, swearing etc.?)

- Strategies that are used at home and any other setting your child attends (example: positive reinforcement).

- Triggers such as transitions, loud noises, darkness, sensory issues, etc.

(If your child(ren) struggle with loud noises, we suggest sending them with noise cancelling headphones that they can use as we are unable to provide a quiet area for them.)

Specifics of what your child needs extra assistance with (example: help using the washroom, etc.)

Please feel free to contact us with any questions, concerns or information regarding your child and their requirements.

You can reach us by email at kristen@justforfunpartycentre.ca or by telephone at 416-750-1337.

We look forward to having your child(ren) at our camp!
